

June 2019

Dear Rowers and Parents,

I hope you have enjoyed your rowing this year. It has been a challenging season with so many fixtures cancelled and the recent flooding but you have all made good progress and I look forward to seeing you continue to excel next season.

Looking ahead to 2019-20, the Michaelmas Term rowing fixtures are already posted in the School Sports Calendar and also on the Rowing Pages:

<https://schoolweb.rgs.w.org.uk/sport/rowing/rowing-fixtures-and-crew-lists>

Please check the dates early and follow the Sports Absence procedure if you have any clashes with important family events. We try to set crews at least one month in advance of a fixture so please let us know of absences as soon as you can.

Two key dates to note:

Saturday 7 September

Start-of-Season Rowing Assessments 9am Perrins Hall

All rowers are expected to attend, and parents are also invited to the Start-of-Season Talk 9-10am in Perrins Hall. I will outline the new season, training expectations, rowing kit updates, safety, nutrition and clean sport advice. Refreshments are provided and members of the coaching team will be pleased to answer any queries you may have about the new season.

Afterwards we move to the Fitness Suite for the rowing assessments. Please note that all rowers are expected to complete an ergo test as well as tests of core strength and power. These form our baseline measurements so that we can monitor your progress throughout the year. We expect to finish around 2pm – please bring healthy snacks / water and a packed lunch with you.

The Start-of-Season Assessments are regarded as a fixture and the sports absence policy applies.

Thursday 3 October – Rowing Awards Evening

Please 'Save the Date' for this event which is a whole-club celebration of the previous season. We serve a buffet supper followed by the awards and I hope that rowers and their parents will join us for the evening.

Rowing and sports kit

Please take the opportunity over the summer holiday to check your kit and order anything you need in plenty of time for the new season. The PlayerLayer tracksuit

trousers are compulsory for all RGS students, including Senior Rowers, so please ensure you have a pair by the start of the 2019-20 season.

Details of kit requirements are on the rowing pages:

<https://schoolweb.rgs.w.org.uk/sport/rowing/rowing-kit>

Pre-season training sessions

Looking ahead to the new season, we have two pre-season training sessions for current J15-17s. Pre-season training for Seniors (i.e. current J15-17s) is on **Wednesday 28 August and Thursday 29 August 1.30-3.30pm.**

Spaces are limited and you will need to sign up via the Doodle Poll link on the Rowing Pages: <https://schoolweb.rgs.w.org.uk/sport/rowing>

Staying fit over the summer

To build on the progress you have made this year, I anticipate that you will want to stay fit over the summer holidays! To help you out we have posted some training ideas on your squad pages. I hope that the prospect of the 2k test on Saturday 7 September may help you focus your mind on staying fit!

NEW for this summer, the Holiday Club is running two weeks of Rowing Camp (29 July to 2 August, and 12-16 August). Miss Tuckwood and Mrs Crone are the lead coaches for these Camps, which are open to boys and girls aged 11-15. If you know of anyone in this age group who would be interested in trying out rowing or improving their rowing skills please let them know about our rowing camps.
